Guidelines for Opting Elective Papers through ERP Web Portal Session Jan-May 2027

Dated: 27th November, 2026

Regarding Subject Registration of Various Options of Semester II, IV, VI & VIII on the Saksham/ERP Portal (Academic Session Jan-May 2026-27)

This is to inform all the students of Semester II, IV, VI and VIII of the academic year 2026-27, to complete their subject registration for Generic Elective Courses (GEC), Discipline Specific Electives (DSE), Skill Enhancement Courses (SEC), Value Addition Courses (VAC) on the Saksham (ERP) Portal Login Page (https://saksham.sac.sitslive.com/Login). Students are advised to fill in their GEC, DSE, SEC, VAC preferences after reading the guidelines (attached in annexure 1, 2 and 3) and the syllabi carefully, which has been uploaded on the Saksham Portal. No changes will be allowed after the selection of these subjects by the students after the deadlines. Therefore, all the students must complete their subject registration **by 3th December, 2026, 11:59PM**. If students do not register for their subjects, the college will allocate these subjects at its discretion, and no requests for changes in the allotted subjects will be entertained after the due date.

Thanking you,

Best Wishes!

Prof. Arun Chaudhary
Principal

Dr. Himanshu Kushwah
Convener

Annexure 1:

Guideline for SEC/VAC Papers

Skill Enhancement Course (SEC)

A **Skill Enhancement Course (SEC)** is designed to develop practical skills, hands-on training, competencies, and proficiency among students. These courses aim to equip students with skills useful in academic, professional, and everyday life.

Important Features and Guidelines for SEC:

- SEC is a **2-credit course** under the UGCF-2022 framework.
- SEC courses are skill-oriented and may involve practical or hands-on learning.
- Students have to study one SEC paper each semester up to semester VI.
- Students must select an SEC from the approved list notified by the College for their respective semester.
- Some SEC papers may be discipline-specific, while others may be open to students across disciplines. Hence, kindly check the eligibility and prerequisites of the SEC paper before selecting it.
- The students of Odd Semester (I, III & V)/ Even Semester (II. IV & VI) are required to give their preferences for SEC from the subject list (displayed below and visible on the Saksham Portal). **The college will allot the SEC subjects on a first-come, first-served basis. Students will not be allowed to change their SEC subjects at a later stage.** Therefore, students should exercise extreme care when choosing their options, as the college does not guarantee the allotment of their chosen preferences.
- Students are advised to go through the syllabi, eligibility criteria and prerequisites required for the Skill Enhancement Courses (SEC) before choosing their options. The syllabi are uploaded on the College website/Saksham portal for your reference.
- **Students cannot opt for the same paper that they have already studied in any of the previous semesters.** For example: if the student has studied the SEC Paper "Finance for Everyone" in any of the previous semesters (Semester I, II, III or IV), then he/she cannot opt for the same paper in Semester V.
- Very Important: Students are strictly advised not to choose and opt those SEC/VAC/GE papers which they had already studied in previous semesters in the preference order.
- Only choose papers in the preferences which you haven't studied as of now. Please choose a maximum of 5 papers from SEC/VAC, or as per the availability of the papers offered.
- The student will be held responsible in case of any false/misleading information on his/her part. If you have any queries, please feel free to mail us at erpadmin@aurobindo.du.ac.in.

Semester-wise SEC Guidelines:

As per the UGCF-2022 framework, the SEC requirement is structured as follows:

Semester	SEC requirement
Semester I	Choose one SEC (2 credits) from the prescribed pool.
Semester II	Choose one SEC (2 credits) from the prescribed pool.
Semester III	Choose one SEC (2 credits) OR opt for the approved alternative of Internship/Apprenticeship/Project/Community Outreach (IAPC).
Semester IV	Choose one SEC (2 credits) OR opt for the approved IAPC alternative.
Semester V	Choose one SEC (2 credits) OR opt for the approved IAPC alternative.
Semester VI	Choose one SEC (2 credits) OR opt for the approved IAPC alternative.

Semester	SEC requirement
Semesters VII & VIII	No separate SEC requirement is shown in the SEC column of the UGCF-2022,, framework for these semesters.

Choose SEC paper not merely to earn credits, but to acquire a skill.

SEC Papers Offered by Various Departments

Semester II

Name of Department	SEC Papers	Prerequisite
Botany	Viewing and capturing Diversity in Nature	
Computer Science	Front End Web Design and development	
Chemistry	Life Skill Education	
History	Visual Communication and Photography	
Electronics	Basic IT tool	
	Electronic Product Testing	Basic Electronics
the Hindi	अनुवाद कला	Working Knowledge of the concerned language
Maths	IT Skills and Data Analysis-I	
	IT Skills and Data Analysis- II	IT Skills and Data Analysis-I
	Network Flow	
	Latex: Typesetting for Beginners	
English	Creative Writing	
Political Science	Participatory Learning and Action	
Sanskrit	Yoga in Practice	
Commerce	Digital Marketing	
	Finance for Everyone	
Economics	Personal Financial Planning	
	Innovation and Entrepreneurship	
Physics	E-Tourism	
	Basic IT Tools	

Semester IV

Name of Department	SEC	Prerequisites
Botany	Viewing and Capturing Diversity in Nature	
Computer Science		
Chemistry	Green Methods in Chemistry	Class XII with Science
History	Life Skill Education	
Electronics	Basic IT Tool	
	Electronic Product Testing	Basic Electronics
Hindi	Patkatha Lekhan	
Maths	IT Skills and Data Analysis-I	
	IT Skills and Data Analysis-II	IT Skills and Data Analysis-I
	Network Flow	
	Latex: Typesetting for Beginners	
English	Image Styling	
Political Science	Communication in Everyday Life	
EVS	Prospecting E-waste for Sustainability	
Sanskrit	Yoga in Practice	
Commerce	Digital Marketing	
	Finance for Everyone	
Economics	Working with People	
Physics	E-Tourism	
	Basic IT Tools	
Zoology	Apiculture	

Semester VI

Name of Department	SEC	Prerequisites
Botany	Viewing and Capturing Diversity in Nature	
Computer Science	Introduction to AI	
History	Life Skill Education	
Electronics	Basic IT Tool	
	Electronic Product Testing	Basic Electronics

Name of Department	SEC	Prerequisites
Hindi	Rangmanch	
Maths	IT Skills and Data Analysis-I	
	IT Skills and Data Analysis-II	IT Skills and Data Analysis-I
	Network Flow	
	Latex: Typesetting for Beginners	
English	Early Child Care and Education Settings	
	Image Styling	
Political Science	Cyber Sphere and Security: Global Concerns	
EVS	Environmental Auditing	
Commerce	Financial Modelling with Excel	
	Social Media Marketing	Pass in 'Digital Marketing'
Economics	Life Skill Education	
	Statistics with 'R'	Basic course in Statistics
Physics	E-Tourism	
	Basic IT Tools	

Value Addition Course (VAC)

A Value Addition Course is designed to promote students' holistic development. As described in UGCF-2022, VAC courses aim to develop:

- Ethical, cultural and constitutional values
- Personality and overall development
- Critical thinking and scientific temperament
- Awareness of Indian Knowledge Systems
- Communication, creative writing and presentation skills
- Sports, physical education and teamwork

VAC courses are offered through a **common pool of courses across different disciplines**. Students may choose from the options notified for their programme and semester.

Semester-wise structure

Under UGCF-2022, the semester-wise structure for VAC is given below:

Semester	VAC requirement	Credits
I	Choose one VAC from the prescribed pool	2

Semester	VAC requirement	Credits
II	Choose one VAC from the prescribed pool	2
III	Choose one VAC from the prescribed pool	2
IV	Choose one VAC from the prescribed pool	2

NO VAC for semesters V to VIII

Guidelines for selection of Value Addition Course

Important Instructions for VAC Selection:

- **Mandatory selection:** All students of all programs in Semesters I, II, III and IV must submit their VAC preferences for the Odd/Even Semesters.
- **Preference submission:** Students must select their preferences from the VAC subject list available on the Saksham Portal.
- **Allotment:** VAC subjects will be allotted on a first-come, first-served basis. Allotment of preferred subjects is not guaranteed.
- **No change permitted:** Once allotted, students will not be allowed to change their VAC subject at a later stage.
- **Check the syllabus:** Students must carefully review the VAC syllabi available on college website before submitting their preferences.
- **Avoid repetition:** Students cannot opt for a VAC paper in a Semester that they have already studied in previous semesters.
- Very Important: Students are strictly advised not to choose SEC/VAC/GE papers they have already studied in previous semesters, in the preference order.
- Only choose papers in your preferences that you haven't studied yet. Please choose a maximum of 5 papers from VAC, or as per the availability of the papers offered.

VAC Papers Offered By Various Departments

Academic Year 2026-27 Even Semester

Semester II & IV

Name of Department	Semester II	Semester IV
Botany	Digital Empowerment	Digital Empowerment
Chemistry		Emotional Intelligence
History		Ethics and Values in Ancient Indian Traditions
Electronics	Digital Empowerment	Digital Empowerment
	The Art of Being Happy	

Name of Department	Semester II	Semester IV
	National Cadet Corps II (Enrolled as NCC Cadet)	
Hindi	साहित्य, संस्कृति और सिनेमा	भारतीय भक्ति परंपरा और मानव मूल्य
Maths	Vedic Maths- I	Vedic Maths- I
	Vedic Maths- II *	Vedic Maths- II *
		Vedic Maths- III **
English	Culture and Communication	Culture and Communication
Political Science	Fit India	The Art of Being Happy
		Swatch Bharat
Sanskrit	Panchkosha: Holistic Development of personality	Yoga: Philosophy and practice
Commerce	Financial Literacy	Financial Literacy
Economics	Ethics and Culture	Digital Empowerment
	Envisaging Viksit Bharat: Perspectives and Challenges	Social and Emotional Learning
		Envisaging Viksit Bharat: Perspectives and Challenges
Physics	Science and Society	Science and Society
	Digital Empowerment	Digital Empowerment
	Emotional Intelligence	Emotional Intelligence

Prerequisite: Vedic Mathematics I.** ****Prerequisite: Vedic Mathematics II.

Annexure 2:

Guidelines for Discipline Specific Elective (DSE) Papers

The Discipline Specific Electives (DSEs) shall be a pool of credit courses of that particular discipline (single discipline programme of study) or those disciplines (multidisciplinary programme of study), as the case may be, which a student chooses to study from his/her particular discipline(s).

Guidelines for Selection of DSE

➢ All students enrolled in Honours and Programme courses in Semesters IV, VI and VIII must select their DSE papers for the Academic Session 2026–27 (Even Semesters).

➢ Students must submit their preferences for the DSE papers offered by their respective departments. Allotment will be made on a first-come, first-served basis, subject to availability. Students will not be permitted to change their allotted DSE papers at a later stage.

➢ Students are advised to exercise utmost care when submitting their preferences, as the College does not guarantee allotment of the preferred paper.

➢ Students must carefully review the prescribed eligibility criteria and prerequisites before selecting a DSE paper. The list of DSE papers, along with the relevant prerequisites, is provided below for reference.

DSE Papers Offered By Various Departments

Name of Department	Semester	DSE	Prerequisites
Botany	IV	Industrial and Environmental Microbiology	
	VI	Research Methodology	
	VIII	NIL	
Chemistry	IV	Chemistry of Polymers, Dyes and Natural Products	
	VI	Research Methodology for Chemistry	
	VIII	NIL	
History	IV	--	
	VI	Basics of Historical Research Methodology	
	VIII	Social History of Education in India	
		"Perspectives on South Indian Past II: Vijayanagara "	
		Methods of Studying Archival and Literary Sources	
Electronics	IV	Network Synthesis	Circuit theory and network analysis + Engineering Mathematics + Signals and Systems
	VI	Research Methodology	
	VIII	Power Electronics	
		Mobile and Satellite Communication	
		Nanomaterials and their applications	
		Digital Control Systems	

Name of Department	Semester	DSE	Prerequisites
Hindi	IV	पर्यावरण और हिंदी साहित्य	Class 12th pass with Hindi
	VI	शोध प्रविधि	
	VIII	भारत भारती	
		गोदान	
		आषाढ़ का एक दिन	
Maths	IV	Linear Programming	Class XII pass with Mathematics
	VI	Research Methodology	
	VIII	Partial Differential Equations	Class XII pass with Mathematics
English	IV	Literature of the Indian Diaspora	
	VI	Research Methodology	
	VIII	Postcolonial Literature	
		African Literature	
		Genre Fiction	
Political Science	IV	Gandhi and the Contemporary World	
	VI	Research Methods in Politics	
	VIII (For Honours Course)	Development Process and Social Movements in Contemporary India	
		Comparative Constitutionalism	
		Contemporary Political Economy	
		Ethics, Politics and Governance	
	VIII (For BA Programme Course)	Development Process and Social Movements in Contemporary India	
		Ethics, Politics and Governance	
		Rural-Urban Local Development in India	
		India and the World	
		Political Ideas of Ancient India	
Sanskrit	VI	Political Thought in Sanskrit Literature	Working Knowledge of Sanskrit
Commerce	IV (B. Com H)	Investment Management	Studied Financial Markets and Institutions
		Human Resource Development	
	VI (For B. Com. Honours)	Investment Banking and Financial Services	
		Business Research Methodology	
		Advertising	

Name of Department	Semester	DSE	Prerequisites
	VI (For B. Com. Programme)	Fundamentals of Investment	
		Advertising	
		Business Research Methodology	
	VI (For B.A. Commerce	Distribution Logistics Management	
	VIII (B. Com. H)	Financial Technology and Analytics	
		The Economy of Bharat	
		Behavioural Finance	
		Distribution and Logistics Management	
		Business Ethics and Human Values	
	VIII (B. Com. P)	Investment Banking and Financial Services	
		Brand Management	
	VIII (B. A. Commerce)	Customer Relationship Management	
		Rural Marketing	
		Sales Force Management	
Economics	VI	Research Methodology for Economics	
	VIII	Sectoral Issues in Indian Economy	
		Economics of Education	
		Labour Economics	
		Money and Financial Markets	
Physics	IV	Analog Electronics	
	VI	Laser Physics and its Applications	
Zoology	VI	Cell Growth and Regulation	Basic Knowledge of Cell Biology
	VI	Research Methodology	
	VIII	Evolutionary Immunobiology of Animals	Basic understanding of Animals.
		Faunal Conservation and Restoration	Studied Biology at 10+2
		Reproductive Endocrinology	Basic understanding of Zoology
		Medical Diagnostics and Healthcare	

Annexure 3:

Guidelines for Generic Elective (GE) Papers

Programme-wise Guidelines for GE Selection

A. Honours Courses (Single Core Discipline)

Applicable to programmes such as B.A. (Hons.) (English/Hindi/Political Science)/, B.Com. (Hons.), B.Sc. (Hons.) Electronics.

1. Students may choose GE papers from the pool of courses offered by various departments, excluding the GE papers of their parent discipline.
2. Students may select papers from any other discipline for which they fulfil the prescribed eligibility criteria and prerequisites, if any.
3. Students who wish to pursue a Minor in another discipline should select GE papers from that particular discipline (total 7 GE from the same department till Semester VIII), subject to the applicable University credit requirements.
4. Students who do not intend to pursue a Minor may choose any eligible GE paper from the available pool.
5. Students must ensure that their GE selections comply with the semester-wise structure and the latest University guidelines.

B. B.A. Programme and B.Com. Programme (Two Core Disciplines)

The selection of GE papers in these programmes depends on the nature of the two core disciplines.

Case 1: Both Core Disciplines are Non-Language Subjects

Examples: B.A. Programme and B.Com. Programme with two non-language core disciplines.

- Semesters I and II: Students are required to select GE Language papers from the prescribed language pool.
- Semester III: Students are required to select GE Language-3 (second paper of the first language selected).
- Semester IV: Students are required to select GE Language-4 (second paper of the second language selected).
- The two languages must be different, and one of them must be an Indian language.
- From Semester V onwards, students may choose GE papers from the open pool, excluding the GE papers of their two core disciplines.

  - **It is mandatory for all B.A. students. Prog. IV semester to study "English Language Through Literature-II" compulsorily and B.A. students. Prog. II semester to study "English Language Through Literature-I."**
  - **Also, for all students of the B.Com. Programme, Semesters IV and II, it is mandatory to study the GE Paper in Hindi Language, depending on their acquaintance with Hindi at the school level. Please note the following for your reference to study the GE Paper of Hindi Language compulsorily, depending upon their acquaintance with Hindi at the school level. Please note the following for your reference:**

Name of the GE Paper	Eligibility
Hindi Gadya: Udbhav aur Vikas (Hindi- A)	**Studied Hindi upto Class XII**
Hindi Gadya: Udbhav aur Vikas (Hindi- B)	**Studied Hindi upto Class X**
Hindi Gadya: Udbhav aur Vikas (Hindi- C)	**Studied Hindi upto Class VIII**

Please also note that the students of B.A. (Programme) who have not studied Hindi upto Class VIII, will be offered the common pool of GE Courses, and for that they may contact the GE Convenor.

Case 2: One of the Two Core Disciplines is a Language:

- Semester I: Students may select a GE Language paper, excluding the GE of their core language discipline.
- Semesters II, III and IV: Students may select GE papers from the open pool, excluding the GE papers of both core disciplines.
- From Semester V onwards: Students may select GE papers from the open pool, excluding the GE papers of their two core disciplines.

Case 3: Both Core Disciplines are Languages

- Students may select GE papers from the open pool in all semesters.
- GE papers offered by either of their two core disciplines cannot be selected.
- Studying the GE Language pool is not mandatory for this category.

C. B.Sc. Life Sciences and Other Multidisciplinary Programmes

Applicable to programmes having more than one core discipline, such as B.Sc. Life Sciences and B.Sc. Physical Science.

1. Students may select GE papers from disciplines other than their prescribed core discipline(s).
2. Students must ensure that the selected GE paper does not belong to any of their parent/core disciplines.
3. The selection of GE papers must be made from the semester-wise GE pool notified by the College.
4. Students must fulfil the prescribed eligibility criteria and prerequisites, if any.

Semester-wise guidance for choosing GE/DSE

The following is a student-friendly summary of the common UGCF-2022 structure. It is not a substitute for the exact paper options notified for your programme and semester.

Semester	Single-core discipline structure (common framework)	Multidisciplinary / multiple-core structure
I–II	GE papers are part of the common elective structure; follow the notified semester-wise GE basket and programme scheme.	GE papers are selected from the notified pool; follow the approved programme structure.
III	Choose either one DSE (from the discipline-specific pool) OR one GE, as provided in the framework.	Choose either one DSE from the programme's core-discipline pool OR one GE, as provided in the framework.
IV	Choose either one DSE OR one GE, as provided in the framework.	Choose either one DSE from the programme's core-discipline pool OR one GE, as provided in the framework.
V	Choose one DSE from the discipline pool and one GE from the eligible GE pool.	Choose one DSE from the core-discipline pool and one GE from the eligible GE pool.
VI	Choose one DSE from the discipline pool and one GE from the eligible GE pool.	Choose one DSE from the core-discipline pool and one GE from the eligible GE pool.

Semester	Single-core discipline structure (common framework)	Multidisciplinary / multiple-core structure
VII–VIII	For each semester, the UGCF framework provides a combination choice totalling 12 elective credits: (a) 3 DSEs; OR (b) 2 DSEs + 1 GE; OR (c) 1 DSE + 2 GEs.	The same elective-credit combinations are shown in the multidisciplinary illustration. DSEs in the fourth year must be chosen from ONE of the student's core disciplines, not as a combination across the core disciplines.

GE Papers and Minor Discipline

1. GE papers provide students with an opportunity to pursue an additional discipline alongside their core discipline.
2. Under the amended UGCF provisions, students in single-core discipline programmes may pursue a Minor through the prescribed GE credit requirements.
3. **Students should have at least 28 credits for a Minor degree in a particular course.**
4. Students may also choose GE papers according to their academic interests, provided they fulfil the prescribed eligibility criteria.

Eligibility Criteria and Prerequisites

1. Students must carefully check the eligibility criteria and prerequisites prescribed for each GE paper before selecting it.
2. A student may opt for a GE paper only if he/she fulfills the prescribed prerequisites, wherever applicable.
3. Certain GE papers may require successful completion of a particular course in an earlier semester.
4. Students must check the course title, paper code, credits, lecture/tutorial/practical components, and offering department before submitting their choices.

Allotment of GE Papers

1. Students must submit their GE preferences through the College-notified registration portal within the prescribed timeline.
2. Allotment of GE papers will be made on a first-come, first-served basis, subject to availability and eligibility.
3. Students should exercise utmost care while submitting their preferences, as the College does not guarantee allotment of the preferred paper.
4. Once allotted, students will not be permitted to change their GE papers at a later stage.
5. Students are advised to retain a copy or screenshot of their submitted preferences for future reference.

Important Instructions

1. Students must select GE papers only from the list notified by the College for their respective programmes and semesters.
2. Students must not select GE papers belonging to their parent/core discipline(s), wherever restricted by the University guidelines.
3. Students enrolled in B.A. Programme and B.Com. Programme must carefully follow the specific language GE requirements applicable to their combination of core disciplines.
4. Students must verify the eligibility criteria and prerequisites before submitting their choices.
5. Students should carefully review their preferences before final submission, as changes may not be permitted after allotment.

List of GE Papers offered by various Department

Semester II

Name of Department	GE	Prerequisites	Eligibility
Computer Science	Data Analysis and Visualization using Python	Programming using Python	
History	Delhi Through the Ages: From Colonial to Contemporary Times		
Electronics	Digital System Design		Eligibility: Class 12 passed with PCM or Physics, Comp. Sc and Math
Hindi	हिंदी भाषा और लिपि का इतिहास		Class 12th pass with Hindi
Maths	Introduction to Linear Algebra		Class XII pass with Mathematics
English	Indian Classical Literature		
Political Science	Governance: Issues and Challenges		
Commerce	Communication in Management		
Economics	Indian Economy		
	Principles of macroeconomics I		
Physics	Electricity and Magnetism		

Semester IV

Name of Department	Generic Elective	Prerequisites	Eligibility
Botany			
Computer Science	Introduction to Web Programming		
Chemistry			
History	Religious Traditions in the Indian Subcontinent		

Name of Department	Generic Elective	Prerequisites	Eligibility
Electronics	Instrumentation	Idea about basic circuit elements R,L and C, voltmeter and ammeter.	Eligibility: Class 12 passed with maths/ applied maths.
Hindi	हिंदी भाषा और विज्ञापन		Class 12th pass with Hindi
Maths	Linear Programming		Class XII pass with Mathematics
English	Marginalities in Indian Writing		
Political Science	Politics of Globalization		
Commerce	Basics of Organizational Behaviour		
Economics	Public Finance in India		
Physics	Nuclear and Particle Physics		Class XII Pass with Science

Semester VI

Name of Department	GE	Prerequisites, if any	Eligibility
Computer Science	Artificial Intelligence	Programming using C++/Program	
History	Gender in World History		
Electronics	Microcontroller Systems	Basic C language programming	*Eligibility: Class 12 passed with PCM/Applied M or Physics, Comp. Sc/Informatics Practices and Math/Applied Maths
Hindi	भारतीय ज्ञान परंपरा	Class 12th pass with Hindi	
Maths	Discrete Dynamical System		*Class XII pass with Mathematics
English	The Individual and Society		
Political Science	Digital Social Sciences		
Commerce	Business Organisation		

Name of Department	GE	Prerequisites, if any	Eligibility
	Leadership Development		
Economics	Indian Economy		
	Principles of Macroeconomics		
	Health and Development		
Physics	Quantum Mechanics	GE Modern Physics of this course or its equivalent	Class XII Pass with Science

Semester VIII

Name of Department	GE	Prerequisites, if any	Eligibility
Computer Science	Information Security		
	Digital Marketing and Social Media Analytics	Knowledge of HTML and Python Programming	
Electronics	Nanoelectronics	Basic knowledge of the semiconductor theory	
Maths	Elements of Partial Differential Equations	Differential Equations	
English	Life and Literature		
Political Science	Women and Politics in India: Concepts and Debates		
Commerce	Workplace Diversity		
	Legal Aspects of Business		
Economics	History of Indian Economic Thought		

Date is provided by Elective Course Committee
